Re: JAR0233- BLACK FOOTED FERRET

This memo serves to inform you that upon our preparation of materials for you for the audit it has come to our attention that there are a couple of items that have problems or are incomplete in our records.

According to the April 2002 Legislative session, minutes for April 16, 2002, JAR0233- Black Footed Ferret, was passed (see attachments). However, we have not found or located the original documentation of that joint action resolution. We will provide you with whatever documentation that we do have available.
