MONTANA COAL BOARD GRANT CONTRACT

CONTRACT #MT-CB-17-0787 CROW TRIBE OF INDIANS

This Contract is entered into by the Crow Tribe of Indians (the Grantee), and the Montana Coal Board (the Board).

PREAMBLE

Indian Tribes are sovereign nations and a unique government-to-government relationship exists between the Crow Tribe of Indians and the State of Montana (the "Parties"). The best interests of the Indian Tribes and the State of Montana will be served by engaging in government-to-government relationships and respectfully recognizing the rights, duties and privileges of both Tribal and State citizenship. The State of Montana and Indian Tribes working together in government-to-government relationships and engaging in Agreements for the benefit of Indian and non-Indian residents promotes effective Tribal-State relations.

This agreement demonstrates a commitment by the Parties to implement this government-to-government partnership with respect to the provision of services to assist the Tribes in the administration of a Montana Coal Board grant to Crow Tribe of Indians.

The Parties agree to perform their respective duties and responsibilities under this Agreement in good faith and in a spirit of cooperation to accomplish the purpose of completing phase 3c of their wastewater system improvement project.

The Grantee and the Board hereby agree to the following terms:

Section 1. PURPOSE

The purpose of this Contract is to provide funding for project activities approved by the Board for which the Grantee has applied for grant funds pursuant to Sections 90-6-201 *et seq.*, Montana Code Annotated (MCA).

Section 2. AUTHORITY

This Contract is issued under authority of Title 90, Chapter 6, Part 2, MCA, the State-Tribal Cooperative Agreements ACT, 18-11-101, *et seq.*, MCA, and the Administrative Rules of Montana, Title 8, Chapter 101. The Board is attached to the Department of Commerce (the Department) for administrative purposes under Section 2-15-1821, MCA. The Department provides staff for the Board, and the Department and its staff are specifically authorized to direct and supervise the budgeting, recordkeeping, reporting, and related administrative and clerical functions of the Board with respect to this Contract. (Section 2-15-121, MCA.)

The Grantee warrants that it has requested and received approval of this transaction from the Secretary of the United States Department of Interior, or a finding by the Secretary that such approval is unnecessary.

Section 3. APPLICATION INCORPORATED BY REFERENCE

The Grantee's application for Board assistance, including any written modifications resulting from the review of the applications by the Board and/or the Department (collectively, the "Project"), is specifically incorporated into this Contract by this reference and the representations made therein are binding on the Grantee.

Section 4. ACCEPTANCE OF BOARD REQUIREMENTS

- (a) The Grantee shall comply with all applicable local, state, and federal laws, regulations, ordinances, and resolutions, and all administrative directives and procedures established by the Board and/or the Department, including all of the provisions, guidelines, and requirements set forth on the Board's website at: <http://comdev.mt.gov/Boards/Coal>.
- (b) The Grantee agrees that all contracts and subcontracts entered into for the completion of the activities described in Section 6 SCOPE OF WORK will require such contractors and subcontractors to also comply with all applicable local, state, and federal laws, regulations, ordinances, and resolutions; all administrative directives and procedures established by the Board and/or the Department; and all applicable design standards and generally accepted industry standards.
- (c) The Grantee agrees that the Project will adhere to all applicable design standards required by the Department of Environmental Quality (DEQ) and obtain all applicable federal, state, and local permits required for the Project. If no DEQ standards are applicable to the Project, the Grantee agrees that the Project will adhere to generally accepted industry standards, such as *Recommended Standards for Wastewater Facilities* or *Recommended Standards for Water Works*, published by the Great Lakes-Upper Mississippi River Board of State and Provincial Public Health and Environmental Managers, latest edition.
- (d) The Grantee expressly agrees to repay to the Board any funds advanced under this Contract that the Grantee, its contractors or subcontractors, or any public or private agent or agency to which it delegates authority to carry out portions of this Contract, expends in violation of the terms of this Contract, the statutes and regulations governing the Board, or any applicable local, state, or federal requirements.

Section 5. EFFECTIVE DATE AND TIME OF PERFORMANCE

- (a) This Contract shall take effect upon execution by the parties and will terminate on March 31, 2019 or upon approval of Grantee's Project Completion Report by the Department, whichever is earlier, unless otherwise terminated in accordance with Section 23 of this Contract.

- (b) All authorized expenses to be reimbursed must be incurred by the Grantee between June 16, 2016 and prior to the date of termination of the Contract pursuant to Section 5(a). All Requests for Reimbursement must be submitted to the Department within 90 days after the Department's approval of the Grantee's Project Completion Report.
- (c) The activities to be performed by the Grantee will be completed according to the implementation schedule set forth in Exhibit A. The Grantee may modify the implementation schedule set forth in Exhibit A only upon obtaining the prior written approval of the Department.
- (d) The Department may grant a Contract extension upon request by the Grantee if the Department determines, in its sole discretion, that the Grantee has demonstrated progress toward completion of the Project; has engaged in a good faith effort to comply with the duties, terms, and conditions of this Contract, and that the failure to comply with any of those services, duties, terms, or conditions resulted from circumstances beyond the Grantee's control. A written request for an extension must be submitted at least 60 days prior to the termination date of the Contract.
- (e) This Contract will only take effect when the Crow Tribe's limited waiver of sovereign immunity herein has been approved by the Crow Tribal Legislature.

Section 6. SCOPE OF WORK

The Grantee shall engage in activities as set forth in the Grantee's application for Board assistance, including any written modifications resulting from the review of the applications by the Board and/or the Department. Section 7. BUDGET

- (a) The total amount to be awarded to the Grantee under this Contract will not exceed \$200,000.
- (b) A copy of the preliminary Project budget is attached hereto as Exhibit B and specifically incorporated herein by this reference. After construction bids are awarded or other major Project activity cost elements are determined, the Grantee shall provide the Department with a final Project budget, which, upon receipt by the Department and approval by the Board, will supersede the preliminary budget in Exhibit B and thereby be incorporated as part of this Contract.
- (c) For budget adjustments of ten percent (10%) or less between line items of the Board portion of Exhibit B, Project budget, Department approval of the Request for Reimbursement form

will constitute approval of the budget adjustment. The Grantee shall describe the rationale for a budget adjustment and note the adjustments in the Request for Reimbursement submitted to the Department. Budget adjustments in excess of 10% must be approved in advance by the Department.

- (d) Any authorized funds not expended under this grant by the completion date referenced in Section 5 or otherwise accounted for in accordance with the provisions of this Section will revert to the Department and will be used to finance other Board projects.

Section 8. METHOD OF REIMBURSEMENT

- (a) The Board and/or Department will not release any Coal Board funds to the Grantee until the Grantee has (1) obtained firm commitments for all other financial resources to be involved in the Project, as defined in Section 6 SCOPE OF WORK and Exhibit B, and (2) provided the Department with a copy of the Tribe's waiver of immunity from suit and venue in accordance with 90-6-209, MCA. The Grantee may not expend or obligate any Coal Board funds, other than for administrative purposes, until the Board and/or Department determine that these conditions have been satisfied.
- (b) The Board agrees to reimburse the Grantee on an actual cost basis for successfully completing the activities set forth in Section 6 SCOPE OF WORK as eligible Project costs are incurred on or after June 16, 2016 supported by adequate documentation submitted by the Grantee, including but not limited to all claims and vendor invoices, and upon approval by the Board and/or Department of the Grantee's Request of Reimbursement. In drawing against the reserved amount, the Grantee will follow the instructions supplied by the Department.
- (c) The Department agrees to reimburse the Grantee as set forth in this Section for successfully completing the activities set forth in Section 6 SCOPE OF WORK as eligible Project costs are incurred on or after June 16, 2016, supported by adequate documentation submitted by the Grantee, and upon the Department's approval of the Grantee's Request for Reimbursement. Unless previously agreed to in writing by the Department, the Department will not reimburse Grantee for any costs related to land acquisition, construction, construction inspection, or contingency line items in Exhibit B until Grantee demonstrates all applicable permits for the project have been obtained, as required in Section 4(c). In requesting reimbursement, the Grantee will follow the instructions supplied by the Department.
- (d) The Department will not reimburse the Grantee for any costs incurred prior to June 16, 2016; for any expenses not included in Exhibit B or an approved adjustment thereto; for any ineligible expenses as set forth in the Coal Board Program (the Program) application or guidelines; or for any expenses not clearly and adequately supported by the Grantee's records.
- (e) At the request of the Department, Requests for Reimbursement for contracted or subcontracted services must attach appropriate documentation demonstrating compliance with contract requirements.

- (f) As further set forth in Section 4 ACCEPTANCE OF BOARD REQUIREMENTS and Section 23 TERMINATION OF CONTRACT, if the Grantee fails to or is unable to comply with any of the terms and conditions of this Contract, any costs incurred will be the Grantee's sole responsibility and Grantee agrees to repay to the Board any funds advanced under the Contract.
- (g) Unless otherwise stated herein, the Department is allowed fifteen (15) working days to process a Request for Reimbursement once adequate supporting documentation has been received by the Department. The Grantee shall provide banking information at the time of Contract execution in order to facilitate electronic funds transfer payments.
- (h) If actual Project expenses are lower than projected by the Grantee in Exhibit B, or the Grantee obtains a greater amount of grant funds from other sources than as presented in the Project application, the Board, at its discretion, may reduce the amount of Coal Board grant funds to be provided to the Grantee under this Contract in proportion to the decrease in overall Project cost.
- (i) Department may, at its discretion, suspend the distribution of Program funds until the Grantee obtains a firm commitment of funds for the full Project budget.
- (j) If the Department determines that the Grantee has failed to satisfactorily carry out its responsibilities under this Contract or has breached the terms of this Contract, the Department may withhold reimbursement to the Grantee until such time as the Department and the Grantee agree on a plan to remedy the deficiency.
- (k) The Grantee may not use monies provided through this Contract as payment for Project costs that are reimbursed from other sources.

Section 9. REPORTING REQUIREMENTS

- (a) Project Progress Reports. During the term of this Contract, the Grantee will submit project progress reports to the Department in conjunction with each Request for Reimbursement. These reports will describe the status of the activities set forth in Section 6 SCOPE OF WORK, including, at a minimum, the percentage completed, costs incurred, funds remaining, and projected completion date. The report must also provide documentation supporting each claim for expenses to be reimbursed, describe any significant problems encountered in carrying out the Project and the scope of any necessary modifications the Grantee is requesting in the Project scope of work, budget, or implementation schedule. The Department, at its sole discretion, may decline to honor any Request for Reimbursement if the required project progress report has not been submitted to or approved by the Department.
- (b) Project Completion Report. Upon completion of the Project, the Grantee will submit a final Project Completion Report for approval by the Department. The Project Completion Report will describe the total costs incurred for the Project, identify the final completion date, and summarize any significant problems encountered in carrying out the Project. Upon receipt of the Project Completion Report, the Department will issue the Notice of Project Close-out.

The Grantee shall not otherwise assign or transfer any portion of this Contract without the express written consent of the Board and/or the Department.

- (b) The Grantee's assignment, transfer, or subcontract of this Contract or any portion thereof neither makes the Department a party to that agreement nor creates any right, claim, or interest in favor of any party to that agreement against the Department. No contractual relationship exists between any subcontractor, assignee, or transferee and the Department.
- (c) The Grantee must immediately notify the Department of any litigation concerning any assignment, transfer, or subcontract of this Contract or any portion thereof.

Section 19. HOLD HARMLESS AND INDEMNIFICATION

Grantee shall assure that any representatives, assigns, and subcontractors performing professional services under this Contract purchase occurrence coverage with combined single limits for each wrongful act of \$1,000,000 per occurrence and \$2,000,000 aggregate per year. Note: if "occurrence" coverage is unavailable or cost prohibitive, the Contractor may provide "claims made" coverage provided the following conditions are met:

(1) the commencement date of the contract must not fall outside the effective date of insurance coverage and it will be the retroactive date for insurance coverage in future years; and (2) the claims made policy must have a three (3) year tail for claims that are made (filed) after the cancellation or expiration date of the policy.

The Board, at its sole discretion, may terminate or reduce the scope of this Contract if available funding sources are eliminated or reduced for any reason. If a termination or modification is so required, the Board may, if sufficient Program funds are available, compensate the Grantee for eligible services rendered and actual, necessary, and eligible expenses incurred as of the revised termination date. The Board will notify the Grantee of the effective date of the termination or modification of this Contract and, if a reduction in funding is required, will provide the Grantee with a modified Project budget.

- (b) Termination for Cause with Notice to Cure Requirement. The Board may terminate this Contract for failure of the Grantee, its contractors, or subcontractors to perform or comply with any of the services, duties, terms or conditions contained in this Contract after giving the Grantee written notice of the stated failure. The written notice will demand performance of the stated failure within a specified period of time of not less than thirty (30) days. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.
- (c) Effect of Termination. In the event of termination due to the Grantee's, its contractors', or subcontractors', or subrecipient entities' failure to perform or comply with any of the services, duties, terms, or conditions of this Contract, any costs incurred will be the responsibility of the Grantee. However, at its sole discretion, the Department may approve requests by the Grantee for reimbursement of expenses incurred. The Department's or Board's decision to authorize payment of any costs incurred or to recover expended Program funds will be based on a consideration of the extent to which the expenditure of those funds represented a good faith effort of the Grantee to comply with the any of those services, duties, terms, or conditions of this Contract, and on whether the failure to comply with any of those services, duties, terms, or conditions resulted from circumstances beyond the Grantee's control.

Proof of compliance and renewal documents must be sent to the Department.

Section 26. FORCE MAJEURE

Neither party shall be responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the non-performing party, so long as such party is using its best efforts to remedy such failure or delays.

Section 27. SEPARABILITY

A declaration by any court, or any other binding legal forum, that any provision of the Contract is illegal and void shall not affect the legality and enforceability of any other provision of the Contract, unless the provisions are mutually dependent.

Section 28. NOTICE

All notices required under the provisions of the Contract must be in writing and delivered to the parties' liaisons identified herein either by first class mail or personal service.

Section 29. NO ARBITRATION

Unless otherwise agreed to in writing or provided for by law, arbitration is not available to the parties as a method of resolving disputes that would arise under the Contract.

Section 30. REFERENCE TO CONTRACT

The Contract number must appear on all invoices, reports, and correspondence pertaining to the Contract.

Section 31. NO WAIVER OF BREACH

No failure by the Department to enforce any provisions hereof after any event of breach shall be deemed a waiver of its rights with regard to that event, or any subsequent event. No express failure of any event of breach shall be deemed a waiver of any provision hereof. No such failure or waiver shall be deemed a waiver of the right of the Department to enforce each and all of the provisions hereof upon any further or other breach on the part of the Grantee.

Section 32. MUTUAL WAIVER OF SOVEREIGN IMMUNITY

The State has waived its sovereign immunity from suit for contract actions arising under this Agreement. See Montana Code Annotated, Title 18, Chapter 1, part 4. For the purposes of this Agreement, the Tribe expressly grants a limited waiver of sovereign immunity from suit for the sole purpose of enforcement of the Agreement by the Coal Board Program and recovery of damages for breach of the terms of the Agreement. The parties to this Agreement agree that no work, phrase, paragraph, or section in whole or part, separate or together, contained in this Agreement may be interpreted, other than expressly provided in this provision, as an express or implied waiver generally of the sovereign immunity of the Tribe.

Section 33. NEGATIVE DECLARATION

This Agreement has been entered into to set forth the terms, definitions, conditions, and responsibilities of the parties with regard to the provision of administrative services to the Tribe. It is

not intended to reflect or to be viewed as reflecting in any other context either party's position with respect to the jurisdictional authority of the other. Nothing in this Agreement or in any conduct undertaken thereto shall be deemed as enlarging or diminishing the jurisdictional authority of either party. Neither this Agreement nor conduct pursuant thereto shall be offered as evidence, otherwise referred to in any present or future litigation unrelated to the subject matter of the Agreement, or used to further either parties' equitable or legal position in any litigation unrelated to the subject matter of the Agreement. Except as provided in this Agreement, each party reserves all rights, arguments, and defenses that are available to it under the law, and nothing in this Agreement shall be interpreted or construed as an express or implicit waiver of any such right, argument or defense.

Section 34. JURISDICTION AND VENUE

- (a) In the event that a dispute or claim arises under this Contract, the laws of the State of Montana will govern as to the interpretation and performance of this Contract, and any judicial proceeding concerning the terms of this Contract will be brought in the District Court of the First Judicial District of the State of Montana;
- (b) The Grantee's Tribal government waives the Tribe's immunity from suit in State court on any issue specifically arising from this Contract; and
- (c) The Grantee's Tribal government waives any right it may have with respect to this Contract to exhaust tribal remedies.

35. INTEGRATION

This Contract contains the entire agreement between the parties, and no statements, promises, or inducements of any kind made by either party, or the agents of either party, not contained herein or in a properly executed amendment hereto are valid or binding.

IN WITNESS OF THE TERMS SET OUT ABOVE, the parties hereto have caused this Contract to be executed.
